Vision

Our goal is to be the national leader among academic health centers of Nursing. We are building on our traditional mission of patient care, education and research by;

Creating innovation in nursing and delivery of health care.

Educating nurses in an appropriate learning environment to be efficient and safe practitioners by adapting our organisation to the changing environment.

Working collaboratively as partners in the delivery of health care with nursing colleagues in hospital and college and with other professional colleagues.

Accreditation

Hinduja College of Nursing is the only college with NAAC accreditation of "A" Grade with CGPA of 3.08, and as an independent nursing education institution.
